

# IC Frith: In your corner

## Your insurance broker matters. Choose one that will champion your cause

IC Frith has been in business since 1983. We are among the top-10 insurance brokers by revenue in Australia and New Zealand and one of the largest warranty service providers in the southern hemisphere. We have a superior reputation built on a tradition of delivering exceptional service and expertise.

We provide professional insurance advice to associations, companies, partnerships, sole traders and individuals about issues including risk identification and minimisation, policy selection and claims administration. Most clients come to us for general insurance broking, underwriting agency services and warranty underwriting and administration services.

Our long-term relationships are proof of our ability to satisfy our clients. We pride ourselves on the highest levels of professionalism and integrity, and tailor our service deliverables according to our client's and partner's needs. We have grown by applying specialist skills to deliver the greatest impact and best value for clients – a tailored, focused approach that sets us apart from larger competitors.

IC Frith is headquartered in Sydney and has offices nationwide in Adelaide, Brisbane, Melbourne and Perth. In New Zealand, we are located in Auckland, Christchurch and Rangiora. We also have an international presence in Ireland, Malaysia, Singapore and Slovenia.
