

When:

Wednesday the 16th of March

QLD Health – Richlands Distribution Centre
794 Boundary Rd, Richlands, 4077

(From City, take Darra exit off Ipswich Motorway, proceed along service road to Archerfield Rd, right into Boundary Rd.)

What:

- The total building under roof is 13125m2 with a minimum 10m height clearance.
- It includes a 76m long x 15m wide shared external awning and 13 covered roller doors and 3 above ground internal flush docks.
- QHSSP (Supply Services) occupies 7478m2. (57%)
- The remaining 5647m2 (43%) is being fitted out for another division of QLD Health.

By end of 2013, Richlands DC will be holding 3000+ stocked inventory clinical consumables servicing all QH facilities north to Rockhampton, south to the Gold Coast and west thereof. With such a major change in service delivery strategy, the 'big bang' transition was always going to be too risky. To allow a staged transition, the initial warehouse layout had to be flexible enough to cope with significant customer growth, new transport models, aligned with the introduction of new systems and equipment.
