#### GLADSTONE

Friday 23rd of October  
DEEDI - Regional Development Centre (RDC)  
33 Goondoon St, Gladstone  
PH 4971 2300

This initiative aims to build the capacity of our industry to work together on common workforce issues in order to give greater support to its future growth. The project will support the growth of the future T&L workforce in Queensland by working on issues that can only be addressed, or are best addressed, at an industry, rather than enterprise level. This is a great opportunity for the T&L community in each of the toured regions to find out more about the strategic direction of the industry in Queensland and have your say into how your region should be engaged in this process in the years ahead.

### Event Details

- 30 minute information session on the SFS project (i.e. what's been established/agreed on by industry to date and the long-term vision for the project).
- 30 minute discussion on engagement methodologies for your region (you tell us what you need).
- Drinks/nibbles and informal networking discussions.

### Timings

4.30 pm to 7.00 pm

### How do I RSVP to this event in my region?

Contact your regional DEEDI office on the above numbers.
