

Meet Phill Slater Australia's leading authority on materials and inventory management

Thursday July 23rd 2009
5.45pm to 7.30pm

We know that there are many of you who were unable to attend the full day workshop scheduled for next Thursday, July 23rd.

apics WA is pleased to advise that we have been able to arrange for you to meet Phill Slater and to hear a brief presentation from him.

Such an opportunity does not present itself very frequently and while we know that the notice is short, we are very pleased to be able to bring to you Australia's leading authority on optimising the inventory process.

Phill will re-cap on his full day workshop presentation and you will have the opportunity to meet with him and to benefit from his depth of knowledge.

Phill is a leading authority on materials and inventory management and specialises in helping companies improve their materials and inventory management performance to achieve superior outcomes. He is in demand as a presenter at conferences worldwide, is a regular contributor of articles for magazines and has authored a number of books, including Smart Inventory Solutions, A New Strategy for Continuous Improvement, and The Optimization Trap.
