Determined Classes of Employment Under Section 6(3) of the Workers Compensation (Dust Diseases) Act, 1942

*Determination made by Insurance Premium Fixing Committee for the Workers Compensation (Dust Diseases) Act, 1942, on 26 June, 1996 to have effect on and from the **Thirtieth Day of June, 1996.***

Pursuant to Section 6(3) of the Workers Compensation (Dust Diseases) Act, 1942, the Board hereby determines that the classes of employment which are of such a nature as to expose the worker to the risk of contracting a dust disease have now been amended and fall within nine schedules broken down by rating classification as set out hereunder:

Schedule 1 = 1.50 Per Cent on Wages

Schedule 2 = 0.75 Per Cent on Wages

Schedule 3 = 0.33 Per Cent on Wages

Schedule 4 = 0.20 Per Cent on Wages

Schedule 5 = 0.13 Per Cent on Wages

Schedule 6 = 0.09 Per Cent on Wages

Schedule 7 = 0.06 Per Cent on Wages

Schedule 8 = 0.03 Per Cent on Wages

Schedule D(12) = 4.00 Per Cent on Wages, as set out hereunder.

The class of employment specified in paragraph D(12) of the determination made by the Workers Compensation (Dust Diseases) Board under Section 6(3) of the Dust Diseases Act and published in Gazette No. 64 of 11th May, 1979 as set out hereunder carries a schedule rate of 4 per cent.

D(12) Handling or Processing of Asbestos and the Manufacture of Asbestos Products

Any process in or incidental to:

1. the loading, unloading, sorting, storing, handling, testing or analysing of asbestos or asbestos minerals.
2. the mixing, blowing, teasing or blending of asbestos minerals or asbestos or any substance containing asbestos.
3. the finishing, cutting, drilling, planing, sewing, sawing, grinding or weaving of asbestos, asbestos materials or asbestos products.
4. the cleaning of any bags, chambers or appliances for the collection of asbestos dust.
5. any lagging, insulating, demolishing or spraying operation in which asbestos or any substance containing asbestos is used, handled or dismantled.
6. the use of asbestos covered or asbestos coated welding rods.
7. the collection and cleaning of overalls contaminated by asbestos.
8. the wearing and use of any product made from woven asbestos.

Your Policy classification will determine the schedule/rate which will apply to the dust disease levy payable and this will appear on your renewal and ultimate adjustment accounts.
